Notes:

- *Proposal assumes 7% decline in license sales due to resistance to license fee changes.
- *Proposal retains senior discounts at 60% for all currently eligible licenses except for bear and 24 hour fishing.
- *Proposal does not include 15% multi-license discount.
- *Proposal would require that all replacement licenses are charged at the same price as the original licenses.
- *FY14 Executive Budget does not reflect full annual revenue as the proposed license changes would not take effect until March 1, 2014.
